

What is Meeting Room 3?

M3, our biggest meeting room, can host between 10-12 people. The setting is perfect for bigger business meetings, workshops or small conferences. The meeting room is furnished with a long table, which makes the room ideal for video meetings or virtual conferences.

Catering

Come and meet the skilled baristas from our cafe. No matter if you are into coffee, sandwiches or salat, we offer high-end services with hospitality in focus. You can find the menu and more information about the selection on our website.

Exclusive service

When you book meeting rooms at The House, you are always in good hands. We strive to provide you with the best service both before, during and after your meeting.

When you book one of our meeting rooms you are being assigned a hostess, who is in charge of serving lunch or coffee / tea / water, and who is available throughout your entire meeting.
